

Jan Havelka – visa application

Objects of journey in Pakistan

At first, I have to mention I'm doing round-the-world trip what means I can't plan everything day-by-day in advance. Basically I'm just transiting from India to Iran but would like to see as much as possible in Pakistan of course. All transfers will be done mostly by trains, occasionally by buses and private cars. I'm really not able to book the tickets now.

However, I'd like to do such trip in Pakistan in frame of 10th – 31st August 2009:

Day	Place
1 – 2	Transfer from Amritsar (India) to Lahore
3 – 4	Staying in Lahore
5	Transfer to Islamabad
5 – 7	Staying in Islamabad
7 – 9	Transfer to Karachi
9 – 11	Staying in Karachi
11 – 12	Transfer to Quetta
13	Staying in Quetta
14 – 15	Transfer from Quetta to Zahedan (Iran)
